At Weston Turville CE School we encourage children to embrace a wide range of new and varied experiences both in and beyond the school walls, no matter their background.

This activity passport will travel with the children through their primary school years, building on previous skills and activities, and developing their character and resilience.

Children are to tick and date the activities as they are carried out, either independently, or with family and friends! Some of these will be undertaken within the classroom so that all children feel a sense of achievement.
