

Who is Yes Chef?

Yes Chef Catering is an independent catering company who have proudly been producing school meals for over fourteen years.

Created and owned by Kevin Burn, a London trained Chef, who brings thirty years of Head Chef and Catering Management experience into the school environment. Yes Chef Catering are built purely on customer recommendations and have gained a reputation for producing quality food along with a personal service.

What will Yes Chef bring to your school...

- Daily creation of freshly cooked quality food.
- Promotion of healthy eating through tasty, varied and nutritionally balanced menus.
- A plate full of colour and taste that a child will enjoy eating.
- An approachable team who encourage and welcome customer feedback.
- Dietary meals. Having had Coeliac disease since birth Kevin has a great understanding of both dietary and allergy needs.
- Menus that change termly to ensure we incorporate nutritious seasonal produce and menu variation throughout the school year.

Big on delivering the best, small enough to care
We look forward to serving Weston Turville School
from September 2024
