

Weston Turville CE School Special Educational Needs Annual Information Report 2024

What is the local offer?

The children and families act (2014) outlines the Government's plans to require Local authorities to publish information on services and provision across education, health and social care for children and young people aged 0-25 with special educational needs and disabilities (SEND). The purpose of a local offer is to enable parents and carers to see more clearly what services are available for children with SEND in their area and how to access them. The process extends to early years settings and all the information below forms our local offer and shows how we provide for children with SEND.

At Weston Turville CE School we strive to support **all** children to enable them to achieve their potential at school. Quality First Teaching is vital. However for some children there are occasions during their school life when additional support may be needed to help them to achieve their targets.

Our SEND policy can be found here:

1. The SEND provision at Weston Turville CE School is on an individual needs basis and includes but is not limited to:

- 1.1. Interventions personalised to the child's needs (Literacy, Numeracy and other subjects), where school has identified areas for development
- 1.2. Additional 1:1 support in specific subjects may be provided in exceptional cases.
- 1.3. Social skills sessions are provided for pupils who need more targeted support.
- 1.4. Emotional Literacy Support (ELSA) for those requiring support with their mental health.
- 1.5. Teaching Assistants (TAs) are used for both in-class support, small focus group support and for 1:1 sessions. The type of support depends on the pupils' needs and the requirements of the subject teacher.
- 1.6. Access arrangements may be made for exams where a specialist report identifies a need. Types of provision may include the use of a laptop or additional time. Where there is an identified medical need further arrangements may have to be made.
- 1.7. Where a pupil needs more specialised support, external agencies and other professionals may become involved (**see school's partnerships**).
- 1.8. A Personal Education Plan (PEP) for looked after children who have SEN.

Pupils with medical needs

- 1.8. If a pupil has an additional medical need a detailed care plan will be compiled with

support from the school and appropriate medical professionals, in consultation with parents/carers. These are discussed with all staff who are involved with the pupil and appropriate support is put in place.

The school's Supporting Pupils with Medical Needs policy can be found here: [Supporting pupils with medical conditions policy](#)

2. Pupils are identified as needing extra support from information such as:

- 2.1. Concerns raised by parents/carers or the child/young person
- 2.2. Information from providers/feeder schools is passed on prior to transfer.
- 2.3. Observations and assessments carried out on entry.
- 2.4. Class teachers identify pupils who are not meeting targets or whose progress is slower than expected and inform the SENDCO if appropriate.
- 2.5. Ongoing and statutory assessments are analysed to identify needs.
- 2.6. If other specific learning difficulties are suspected then other external agencies may be involved.
- 2.7. The SENDCO analyses termly assessment data to identify pupils who are not meeting their targets.
- 2.8. Information from medical professionals

How we monitor provision:

- 2.9. In consultation with the pupil and parent/carer, SEND Support Plans are written by the class teacher and are overseen by the SENDCO; these are reviewed termly. Support Plans are also used to show how support is targeted and the effectiveness of the intervention.
- 2.10. Termly data and information from class teachers, parents and the pupil is all used to assess the effectiveness of the provision and the progress of pupils with SEND.

3. The school's approach to teaching

- 3.1. We promote inclusion to include children/young people with SEND both inside the classroom and during extracurricular activities and trips.
- 3.2. Risk assessments are carried out and school will make their best endeavours to put in place procedures to enable all pupils to participate.
- 3.3. Teaching staff are given training on strategies to use in the classroom with pupils who have specific needs.
- 3.4. Emotional and social development is supported on a personalised basis. Some pupils require more targeted support which is offered through social skills groups and in a small number of cases CAMHs support may be needed.
- 3.5. Pupils with SEND are given the opportunity to evaluate their own learning experiences by feeding back to their classteachers and SENDCO using monitoring and evaluation procedures relevant to the age of the child. These are then used to develop strategies to improve teaching to ensure pupils are able to fully access the curriculum.
