A message from Ms Fitzpatrick

Dear Parents and Carers,

It was lovely to see so many families in this morning's sunshine, participating in our Feel Good Friday walk on the field, it really set us up for the active day ahead!

As we head into May, we're entering a really important and exciting part of the school year. The children are building on everything they've learned so far, growing in confidence, securing key knowledge and continuing to develop their skills ready for the next stage.

It has been a real pleasure to catch so many positive moments around school recently: children showing real perseverance in their learning, embracing new challenges, taking responsibility, caring for our environment, and supporting one another at lunch and playtimes.

These everyday actions bring our school values to life and help make Weston Turville a positive place to learn and thrive. There are a multitude of exciting upcoming events for us to look forward to, so it's more important than ever to keep helpful routines going, helping to keep children's well-being and focus, as the Summer Term whizzes by!

As always, thank you for your continued support.

Ms Fitzpatrick

Reminders

To help ensure that all children arrive on time for the morning register and maximise learning time, the gate will be open from **8:40am to 8:50am**, providing a ten-minute window for children to enter the school.

Our teachers have added items to our **Amazon wish list**: <https://amzn.eu/6NmDaKD>
Every item helps bring lessons to life for our pupils.

Please take a look and see if there's something you can contribute. A huge ***Thank You*** to those who have already purchased items, we are extremely grateful!

Healthy Lunch Boxes

Weston Turville CE School is an allergy aware school. This is essential to keep all pupils safe, as allergies can be very serious. Pesto often contains nuts, so if you include pesto in your child's lunch, it must be a nut-free version the same for houmous. Thank you for ensuring lunches are safe for everyone in our school community

Village Hall Car Park

A reminder to be respectful in the car park, parking in **designated** car park spaces only. Do not park on the corner of the entrance. Alternatively park at The 5 Bells, it's 357 feet away, just a few minutes walk.

School Car Park

Please remember that Barn Owls (Breakfast and After-School Club) parents and carers should use the Village Car Park for drop-off and pickup. The staff car park is not to be used for Barn Owls access.

SEND

Buckinghamshire Council regularly deliver a range of useful courses for families throughout the year – please review our website for full details by click this [link](#).

HELLO NEIGHBOUR!

I am setting up a Sustainable Streets group.
Will you join me?

Sustainable Streets is a local project helping neighbours get to know and support each other better, share skills and resources, and reduce our energy and household bills.

In 2010/11 over 500 homes in Totnes took part - each saving around £570 on utility bills and cutting their carbon footprints.

Many made friendships which have lasted to this day!

In 7 sessions over 3 or 4 months we will look at topics including Energy, Food, Travel, Water and Resource Use and discuss things we can do in our homes and together to make our street a better place to live.

It doesn't matter if you own or rent your home.
Please get in touch if you would like to get involved.
