Class 6 - Maths

Last week, eight of our pupils from Class 6 took part in the UK Mathematics Trust Junior Maths Challenge. This is a 60 minute multiple choice test for students in Years 6, 7 and 8. The questions are extremely challenging because they require a high level of mathematical reasoning, precision of thought and fluency. We are extremely proud of the following Year 6 students who took part in this:

Alfie, Alice, Ellie, Haruki, Jake, Joy, Stanley and Teddy T, all of whom showed determination and stamina. A special mention must go to Haruki for achieving a Bronze award and to Joy and Alice for achieving Silver awards.

Smartphone Parent Survey

Parent Talk: Raising Kids in the Smartphone Era
Monday 22nd June 7pm, school hall,

Smartphone survey

Thank you to the dozens of you who have already shared your views around navigating smartphones and social media in the lives of our children. To the rest of the community, please do find 5 minutes to complete the survey [here](#) - all views are welcome and appreciated and the survey is completely anonymous. This survey is being run by parents from our school community and has been inspired by the work done by the Smartphone Free Childhood movement. Please visit their website for more information: www.smartphonefreechildhood.org.

The survey will stay open until 22nd May.

Parent Talk: Raising Kids in the Smartphone Era Monday 22nd June 7pm: Given the growing appetite across our community to learn more about this topic, we will be holding an information session, full of practical ideas and friendly discussion about helping kids thrive in the digital age. We'll look at what's working for families right now, from first phones to healthy habits at home. No judgement, just real talk and small steps that make a difference. All parents are warmly welcome - whether you've already made decisions about smartphones or are just starting to think about it. Reserve your seat [here](#).

Let's Celebrate!

Reminders

To help ensure that all children arrive on time for the morning register and maximise learning time, the gate will be open from **8:40am to 8:50am**, providing a ten-minute window for children to enter the school.

Our teachers have added items to our **Amazon wish list**:

<https://amzn.eu/6NmDaKD>

Every item helps bring lessons to life for our pupils.

Please take a look and see if there's something you can contribute. A huge **Thank You** to those who have already purchased items, we are extremely grateful!

Healthy Lunch Boxes

Weston Turville CE School is an allergy aware school. This is essential to keep all pupils safe, as allergies can be very serious. **Pesto** often contains nuts, so if you include pesto in your child's lunch, it must be a nut-free version the same for **houmous**. Thank you for ensuring lunches are safe for everyone in our school community

Village Hall Car Park

A reminder to be respectful in the car park, parking in **designated** car park spaces only. Do not park on the corner of the entrance, on the zig zag lines or grass verges. Alternatively park at The 5 Bells, it's 357 feet away, just a few minutes walk.

School Car Park

Please remember that Barn Owls (Breakfast and After-School Club) parents and carers should use the Village Car Park for drop-off and pickup. The staff car park is not to be used for Barn Owls access.

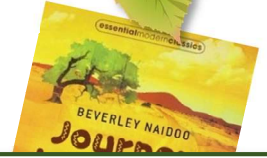

SEND

Buckinghamshire Council regularly deliver a range of useful courses for families throughout the year – please review our website for full details by click this [link](#).

Class 5 Birch

Class Spotlight

12th May - 15th May 2026

In English, we've been really enjoying reading *Journey to Jo'Burg* and *Chain of Fire* by Beverley Naidoo. We've found the books really engaging, interesting and challenging. We've learned a lot about Apartheid!

In maths, we've just finished up perimeter and area. We've enjoyed this unit and we've been finding our excellent times tables knowledge to be a massive help!

In PE, we've been honing our tennis skills. We've played some great games that help us improve our forehand and backhand returns. We also tried our luck at last person standing bouncing the ball on the racket.

This week, we visited Bucks Museum to look at their excellent exhibit on The Saxons. We enjoyed our history unit on the Saxons, so this is a real treat!
