Class 6

Year 6 approached their SATs last week with determination, resilience and a positive attitude throughout. We are incredibly proud of the way they conducted themselves during the tests and the maturity they showed each day.

The children worked extremely hard in the lead up to SATs and, most importantly, all tried their very best. They should be very proud of their efforts and achievements.

A huge thank you also goes to the staff and families who have supported and encouraged the children along the way. Well done, Year 6!

Class 5 Bikeability

Year 5 thoroughly enjoyed taking part in their Bikeability training this week. They developed their cycling confidence and improved important skills including control, signalling, awareness and road safety.

The children had the opportunity to cycle through the village, putting their skills into practice in real-life situations while learning how to ride safely and responsibly on the roads. It was fantastic to see their confidence and technique improve over the course of the training.

Well done to all of Year 5 for their enthusiasm, perseverance and excellent behaviour throughout the week.

Smartphone Parent Survey

Parent Talk: Raising Kids in the Smartphone Era
Monday 22nd June 7pm, school hall,

Smartphones and young people

Final chance to share your views on how we should best approach navigating smartphones and social media in the lives of our children. [This](#) short survey closes tonight. Over 50 of you have already shared your views - thank you.

Save the date: Many of the verbatim responses in the survey indicate a desire to learn and share more about this topic, so we will be holding an information session in the school hall at 7pm on Monday 22nd June. We'll look at what's working for families right now, from first phones to healthy habits at home. No judgement, just real talk and small steps that make a difference. All parents are warmly welcome - whether you've already made decisions about smartphones or are just starting to think about it. Reserve your seat [here](#).

Reminders

To help ensure that all children arrive on time for the morning register and maximise learning time, the gate will be open from **8:40am to 8:50am**, providing a ten-minute window for children to enter the school.

Our teachers have added items to our **Amazon wish list**:

<https://amzn.eu/6NmDaKD>

Every item helps bring lessons to life for our pupils.

Please take a look and see if there's something you can contribute. A huge **Thank You** to those who have already purchased items, we are extremely grateful!

Healthy Lunch Boxes

Weston Turville CE School is an allergy aware school. This is essential to keep all pupils safe, as allergies can be very serious. **Pesto** often contains nuts, so if you include pesto in your child's lunch, it must be a nut-free version the same for **houmous**. Thank you for ensuring lunches are safe for everyone in our school community

Village Hall Car Park

A reminder to be respectful in the car park, parking in **designated** car park spaces only. Do not park on the corner of the entrance, on the zig zag lines or grass verges. Alternatively park at The 5 Bells, it's 357 feet away, just a few minutes walk.

School Car Park

Please remember that Barn Owls (Breakfast and After-School Club) parents and carers should use the Village Car Park for drop-off and pickup. The staff car park is not to be used for Barn Owls access.

SEND

Buckinghamshire Council regularly deliver a range of useful courses for families throughout the year – please review our website for full details by click this [link](#).
