

SING OUT AN EASTER SONG

by Mark and Helen Johnson

CHALLENGE

This is a really joyful song. When we are excited or celebrating, we say that we are 'jumping with joy'. **Hold an Easter jumping competition with your household.** If you have enough space, you could use skipping ropes, cones/buckets, cushions and sticks. **You might have a high-jump competition or a long-jump competition.** You could add things to make it tricky like circles/hoops to jump from and to.

TALK ABOUT

Why do people celebrate Easter? (Use the song lyrics to help with your discussion.)

SHARE IT

There's a lot of good news to share because of what we celebrate at Easter. **What does the chorus tell us is worth sharing?** (Two things.) **What are your favourite ways of getting good news out to people?** How many different ways of sharing can you think of (phone/photos/email/text/song...)? Can you think of any creative ways?

DID YOU KNOW?

Jesus appeared to many of His friends and followers after His resurrection. The first person was Mary Magdalene – she mistook Him for the gardener!

**“I AM THE
RESURRECTION
AND THE LIFE.”**
Jesus [John 11v25]
