

# SPRING CHALLENGES

20 SPRING CHALLENGES	COMPLETED	DATE
Plant a seed and watch it grow. Write instructions 'How to grow a seed'.	<input type="checkbox"/>	
Make a den in the garden or inside.	<input type="checkbox"/>	
Go for a walk in the rain. Look carefully and write down anything that you notice.	<input type="checkbox"/>	
Write a poem about spring.	<input type="checkbox"/>	
Collect 5 different leaves and identify the trees that they came from.	<input type="checkbox"/>	
Go on a minibeast hunt – how many can you find?	<input type="checkbox"/>	
Draw a minibeast and write a book about it.	<input type="checkbox"/>	
Observe a bird. Write a description: what does it look like? How does it move?	<input type="checkbox"/>	
Have an Easter egg hunt. Use chocolate eggs, or draw and hide your own!	<input type="checkbox"/>	
Have lunch outside in the garden. Help prepare the food.	<input type="checkbox"/>	
Research Andy Goldsworthy and create a picture in his style using leaves, sticks and flowers.	<input type="checkbox"/>	
Do some extreme reading! Where is the oddest place you could read?	<input type="checkbox"/>	
Help an adult spring clean a room in the house.	<input type="checkbox"/>	
Bake biscuits or a cake and decorate them for Easter	<input type="checkbox"/>	
Draw and decorate an Easter egg.	<input type="checkbox"/>	
Draw a flower, looking carefully at the details. Can you find out the names of the different parts of the flower and add labels?	<input type="checkbox"/>	
Create a simple classification key to identify flowers and leaves in your garden.	<input type="checkbox"/>	
Go on an ABC nature walk. Can you spot something for each letter of the alphabet?	<input type="checkbox"/>	
Make a mobile using things you have at home (milk bottle tops, paper, string, sticks) and hang it in a window.	<input type="checkbox"/>	
Stay up late and count the stars! Can you identify any constellations?	<input type="checkbox"/>
