

Autumn 2nd Half 2020 Newsletter – Year 4

Dear Parents,

Welcome back! I hope you all had a very relaxing half term break. The children continue to work hard and amaze us with their resilience to the new and difficult situation that we all find ourselves in. I am very proud of them.

Our creative theme for this half term will continue with 'The World We Live In'. You can see a more in-depth look at our topics on our Year 4 curriculum map attached to this newsletter. We will also be continuing with the Ancient Egyptians in history as it is such a large and interesting subject for the children.

The children shall continue to have two PE sessions a week - on Mondays with Mrs Ellis and Thursdays with me. The children will need to be wearing their full PE kits on those days. Please make sure that all of your child's kit and uniform is named, particularly coats, jumpers and sweatshirts.

Homework will continue to be set on a Friday and needs to be returned by the following Wednesday. Where possible and appropriate, this will be accessed via Google Classroom. Spelling tests will continue to be on Fridays and new words sent home on a Monday, and the maths tests will continue to be on Thursdays. The library remains closed for the foreseeable future. However, the lovely librarians have provided our class with themed books to support our learning this term.

If you have any queries please feel free to drop me a note in the home/ school diary, or alternatively you can email me at lbutcher@westonturville.bucks.sch.uk.

I am slowly adding useful information to the Class 4 page of Google Classroom. Do let me know if there is anything else that you would like added to the page and I shall do my best to accommodate your requests.

Best wishes,

Miss Butcher
