

Class 6 Newsletter Summer 2021

Dear Parents,

I hope that you have had an enjoyable Easter break. Can I take this opportunity to thank you for providing such amazing costumes for our World War II Day? The children really enjoyed the topic and produced some fantastic art, music, creative writing and history work - the day was the perfect way to celebrate this. The weather really helped too as we were able to spend most of the day outside building air raid shelters. I have uploaded some photos on the school website.

As you are probably aware, there are no official SATs tests for Year 6 pupils this year. We will still be having a SATS style test week so that we can assess progress and report attainment levels to Secondary Schools. We will conduct these tests during the week beginning May 17th. Between now and the end of June, the Secondary Schools make arrangements to come in for discussions with us and to meet their new intake children.

We are really looking forward to our off timetable/replacement River Dart week. The dates for our two activity days have changed: our day at Longridge is on Monday 24th May and our Green Park visit is Wednesday 26th May. A letter with all the information you need will be sent nearer the time.

PE will continue to happen on a Monday and Wednesday afternoon. Now that we are approaching the warmer months, please also ensure that your child always has a water bottle in school.

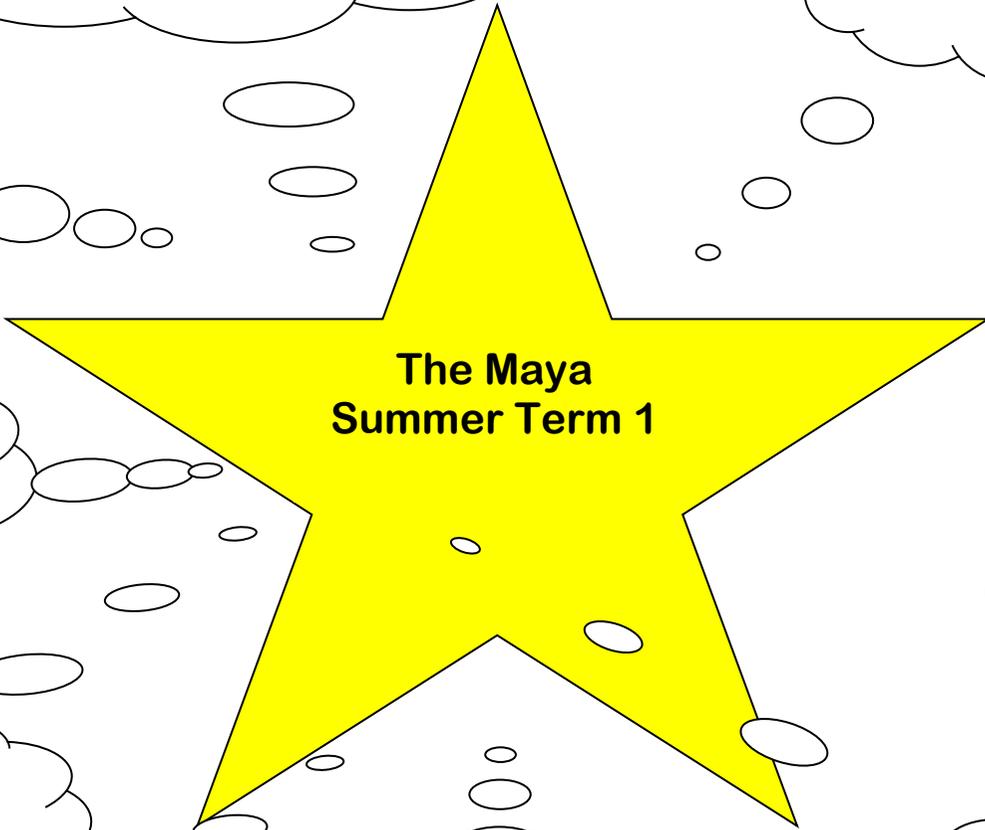

Finally, if you have any questions or would like to come in and chat to us, the end of the day is the most convenient time. Please feel free to make an appointment with the office or send an email. Many thanks for your continued support.
